4. ENROLLMENT FEE

Course fees for all Clemson Drone offerings are listed at www.ClemsonDrone.com. Tuition includes all instructional materials, software licenses, platform access, and credentialing support. For the UAS Vocation course, students are responsible for an additional FAA Part 107 exam fee (typically \$175), which must be paid directly to an FAA-approved testing center. For the UAS Mission Administration course, students must supply a commercial-grade drone to complete the practical flight assessment. While prices vary, students should anticipate a minimum cost of \$2,500 for a suitable aircraft.

Program	Total Hours	Tuition	Program Length
UAS Vocation	48 clock hours	\$3,500	8 weeks
Mission Administration	48 clock hours	\$3,500*	8 weeks

Miscellaneous Expenses:

- Part 107 Exam Fee: \$175
- Commercial Grade Drone Estimate: \$2,500 (student supplied)

Total Costs: **\$9,675**

*Note: \$500 discount is available when both courses are purchased at the same time

Payment in full is due prior to beginning the program. Payment is made online through the Clemson Drone's website via credit card, debit card, PayPal, Venmo Checkout and Google Pay. Clemson Drone does not provide financing or payment plans. Third-party loans must be repaid according to the terms of the note, even if the borrower does not complete their education, cannot get a job after completion, or is dissatisfied with the program.

5. ACKNOWLEDGEMENTS

- I have received and understand the institution's catalog.
- I understand that enrollment in the institution or completion of the program does not guarantee employment.
- I understand that Clemson Drone makes no claim that course credits or certificates will transfer to another institution.

6. REFUND POLICY

If a student decides to cancel their enrollment, they are entitled to a full refund of all payments made—provided the cancellation occurs within 72 hours of registration (excluding weekends and holidays). Even if course materials are accessed during this initial period, students will still receive a full refund if they cancel or are not accepted. See the institution catalog for full details about prorated refunds after the 72-hour period has expired.

7. DISCLAIMER Clemson Drone is licensed by the South Carolina Commission on Higher Education, 1122 Lady Street, Suite 400, Columbia, SC 29201, (803) 737-2260. Licensure indicates only that minimum standards have been met; it is not an endorsement or guarantee of quality.

8. AGREEMENT

Payment of the course fee at checkout constitutes agreement with these terms.
